PETITION TO ACCORD CORRECTED FILING DATE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants have received the return postcard for the above-identified continuation patent application. In reviewing the postcard, it was noticed that the filing date given by the USPTO is incorrect. The filing date should be November 10, 2003 rather than November 11, 2003.

In accordance with 37 C.F.R. 1.10, Applicants are enclosing true copies of the following:

1. Express Mailing label (EV347831401US) used for filing this application. (It should be noted that the month and the day on the Express Mailing label were inadvertently switched by the Postal Service. The mailing label should have indicated a "Date In" date of 11-10-03 instead of 10-11-03; the Postal Service employee most likely entered the date in European format, wherein dates are normally written with the day of the month first, followed by the month.)

2. "Track and Confirm" shipment details from the U.S. Postal Service.
3. Continuation Application Transmittal showing Express Mail #EV347831401US.
4. Return postcard indicating correct filing date as well as the erroneous date given by USPTO.

Applicants respectfully request issuance of a corrected filing date from the U.S. Patent and Trademark Office. If a telephone interview would be helpful in this matter, please contact Applicants' undersigned representative.

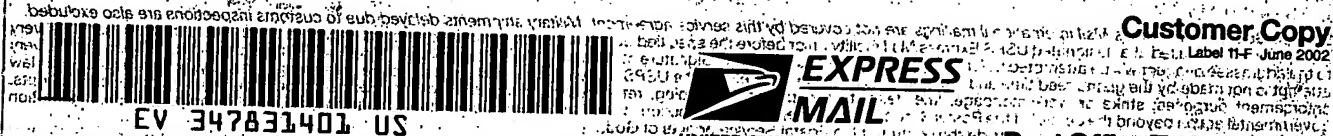

Respectfully submitted,
